Title: New Determinations for 2010!

Presenter: Shirley Young, MDE

Description: The OSE-EIS is preparing to issue 2010 Determinations to all local districts, academies, and ISDs. Districts will receive a "Meets Requirements", a "Needs Assistance", a "Needs Intervention" or a "Needs Substantial Intervention" for their 2008-2009 school year data. There is stronger emphasis on timely correction of noncompliance and accurate data reporting in this round of Determinations. Join us for a head start on understanding the new parameters prior to the Determinations being issued later in June.
