Ingham Intermediate School District			
<p>Ingham ISD is a dynamic organization, committed to providing a wide variety of quality educational supports to school districts, children and families. We coordinate and deliver services and programs focused on student achievement, leadership and collaboration to advance excellence in education. While improving educational outcomes in our community, we likewise challenge our staff to grow personally and professionally. We are looking for team members who will support our mission to lead and serve in education and who will contribute to our culture of innovation. Diversity, equity and inclusion are important to our organization. We encourage applicants from underrepresented groups (e.g. race, gender, sexual orientation, disability, etc.) that will contribute to the enrichment of ideas and perspectives and best support those we serve.</p>			
Job Description			
What You'll Do			
<p>Under the direction of the administrator, and in accordance with the established policies and procedures of the Ingham Intermediate Board of Education, evaluates children referred as potentially eligible for special education services and programs.</p> <ul style="list-style-type: none"> • Serves as a member of the multidisciplinary evaluation team and assists in the comprehensive assessment of students suspected of having a disability as outlined in the Michigan Administrative Rules for Special Education. • Collaborates with local district administrators and school-based leadership teams on MTSS activities. This includes participation in problem-solving teams and requires knowledge of data collection and analysis, curriculum-based assessments and tiered systems of interventions. • Supports staff in identifying and using researched-based instructional practices. • Consults with staff and parents regarding behavioral and academic intervention plans. • Serves as a member of the Individual Educational Planning Team to assist in the determination of eligibility, placement, and development of the Individualized Educational Plan. • Upon request, provides professional learning and consultative services to local educational staff. • Assumes such other duties as may be assigned by the ASD Programs and Itinerant Services Director. 			

What You'll Bring

Need to Have

- Approval by the Michigan Department of Education as a School Psychologist.
- Master's Degree in Educational Psychology and/or School Psychology.
- 750-hour internship in School Psychology.
- Knowledge and skills commonly used in psychological evaluation and consultation including the understanding and ability to determine the eligibility of Specific Learning Disability using a Response to Intervention approach.
- Ability to communicate effectively in both oral and written form to multiple audiences.
- Knowledge of the requirements of state and federal mandates which directly relate to the evaluation and identification of a student with a disability.
- Strong analytical skills are required to correctly analyze, interpret and report quantitative and qualitative data.
- Demonstrated understanding of the logic and application of an MTSS/RtI model and the continuum of behavior and academic supports at all levels (universal/targeted/intensive).
- Expertise in assessment including curriculum based assessment measurement and diagnostic practices.
- Ability to collect, analyze and use data and research within a strategic planning and continuous improvement process and/or intervention planning.

What We Offer

- Competitive wages
- Five health insurance plans to choose from
- Dental, vision and life insurance
- Long-term disability
- Paid leave time
- Retirement benefits
- Tuition reimbursement
- District-supported professional development
